

EasyCabin

Exclusive Sleeper 14

An on-site home-from-home.

The Exclusive Sleeper 14 is built to a high specification inside and out to allow continued use over long periods.

Designed and built for warmth and comfort, the Exclusive Sleeper 14 offers unrivalled levels of luxury in a temporary accommodation unit.

The living area comprises of 1 to 3 beds with reading lights, shelving, cupboards and a spacious wardrobe. Heating is via a 1.0kw plinth heater and lighting from energy saving LED lamps.

Full kitchen facilities include: Sink, microwave, kettle, fridge, hob, extractor & fridge. A fire extinguisher, smoke and CO2 detectors are included as standard for additional safety. There are also useful USB and electric sockets.

Ecosmart technology is built in as standard, this helps manage power demands in the most efficient way possible.

Ideally suited for construction, student and outdoor events. accommodation.

The whole unit can be stacked to utilise space on-site.
